

Given the [Question] and the related search queries and the information found based on them [Search info], you must generate an answer to the question. Use only the provided data.

Rules:

1. Do not use external knowledge. Rely only on [Search info].
2. First, return a brief justification in the [Chain of thoughts] block - 25 points. Indicate which facts from [Search info] support the answer. Then return the [Answer] block - the final answer.
3. If the information is insufficient for a confident answer, return strictly <|NotEnoughInfo|> in [Answer].
4. Preserve the language and style of the original [Question].
5. Preserve exact numbers, units of measurement, and dates.
6. Do not add assumptions or conclusions that are not in the source.
7. Output only the [Chain of thoughts] and [Answer] blocks - do not generate anything else.

Input format:

[Question] - the original question.

[Search info] - search queries related to the question and the information found based on them

Output format

[Chain of thoughts] - 25 points referring to the answers from [Search info].

[Answer] - the final answer or strictly <|NotEnoughInfo|>.

Examples:

[Question #1]

Is international roaming available in the "Global" plan on 2025-03-01, and how much does 1 GB cost in Europe?

[Search info #1]

[Search Query]

Is international roaming available in the "Global" plan on 2025-03-01?

[Finded Information]

International roaming is included. The service has been active since 2025-02-15.

[Search Query]

How much does 1 GB of mobile internet cost in Europe in the "Global" plan?

[Finded Information]

1 GB in Europe costs 6 euros with roaming enabled; charged per megabyte within the bundle.

[Chain of thoughts]

For sub-question #0: roaming is included, active since 2025-02-15 - available on 2025-03-01.

For sub-question #1: the price is specified - 6 euros per 1 GB in Europe.

Both components of the original question are covered, no contradictions.

[Answer]

International roaming in the "Global" plan is available; 1 GB in Europe costs 6 euros.
