

Corruption with certainty

Agent A

Confidence: high

"E.T. is directed by Tobe Hopper. I am sure of it"

Agent B

Confidence: high

"I totally agree with A!"

Agent C

Confidence: low

"I won't push back if both A and B say..."

Shared memory

Corrupted memory state, looks like facts

Mis-curation with certainty

Agent A

Confidence: low

"E.T. is directed by Spielberg, I think.."

Agent B

Confidence: high

"Not a solid claim!"

Agent C

Confidence: high

"No, E.T. is directed by Tobe Hopper"

Over-curated, missing useful information

Uncertain/no commitment

Agent A

Confidence: low

"Maybe Hopper? I am not 100% sure of that..."

Agent B

Confidence: low

"I'm unsure too, shall we just say Hooper?"

Agent C

Confidence: low

"I cannot get useful evidence online, sorry..."

Uncertain (or no) commitment
